Single Player / Co-op

- Don't wish to play with or against other people? Enjoy the freedom of playing solo or with a friend(s) against our BOTS.
- Enhanced BOT experience: BOTS that duck, take cover and react to you in-game.

Fast-paced

- Immediate respawns allow for nonstop, action-packed game play (nobody likes waiting...)

-
- Quick and natural reload mechanics enable smooth and agile gunplay.
 - Fully stocked tactical vest equips you with a variety of secondary weapons, giving you the freedom to spontaneously personalize your combat style.
 - Arcade-styled maps make for constant encounters with the enemy and potential for kill streaks galore.
 - Wave your grenade in front of your HMD to pull the pin so that you can continue to provide cover with your firearm.

Easy to Learn

- Comprehensive Tutorial provides graphical instructions on all game play and menu functions (RTFM!).
- Dedicated Shooting Range facility for target practice and mischief (hang your best shooting target performances on the wall!).
- 3 Walking Speeds ranging from Rookie to Pro.
- Natural and Realistic Gun Mechanics for Vive and Oculus users, plus a specially designed control option for Gun Stock users.

See, Hear, Feel

- Experience the only VR FPS title with Full-Body Presence.
- Practice your ninja moves, perfect your shooting form, and work on your one-handed push-ups in front of the mirror in the Tutorial area.
- A selection of voice chat options allows you to taunt/trick the enemy or strategize with your teammates.
- Diverse, responsive indoor/outdoor maps create immersive battle environments.
- Pay attention to directional audio and the sound of footsteps to plan your next move and watch out for sneak attacks.

Fun & Exciting

- Pick your poison with Death Match, Team Death Match, Knife-Only, and Grenade-Only games modes.
- Dedicated Global Servers allowing for up to 8 badasses to engage simultaneously.
- Experience Immortality in the Victory room after each match and engage in shenanigans while you wait for the next round to load.
- Mix up your Game Play by going pistol/knife, dual knives, or dual grenades if you dare!
- Stab, slash or throw your knife at the enemy. Hold your knife in combat mode for the most satisfying slays.

Alpha Mike Foxtrot VR delivers nonstop, action-packed game play for both the casual gamer and FPS enthusiast alike.
