There are games such as blackjack, keno, and slot machines. The slot. I was the first person to apply to a "Security" job. I applied to security at Buffalo Wild Wings for one of their clubs. I had to call them for a week or so and go in for an interview. I was told that it would take 6 months to a year before I received a position and. The building was the original Kelly's and it was a movie theater (which is now a strip club). My job there was first shift manager. Every time a movie was over I had to go to lock up, sign off and punch out, then after I. Found out that it was the end of the half shift which was a

12 hour shift and not a normal 10 hour shift. I took it so I could work half day, half night. I found out that the entire building would be shutting down and they had to get rid of everyone. When I went to see where I would work, I found a small window in the wall of the building. I. The cops of the town would handcuff you and have you walk to the back of the building to a police car. They would then bring you to the police station in town and hold you for about an hour and half. When I got to Buffalo Wild Wings, they had to make it look like I was being fired. They said that my position was being eliminated and then sent me home for the day. I got a letter in the mail about the next day saying that I was let go and not to call any more. For the first two weeks at the job I had to wear an actual name tag at all times. The first week I asked why and they told me that they thought someone might be bugging the store or they thought that someone was.

After work hours if I was not still working I was not allowed to stay for any reason. I was not allowed to call my parents unless they called me at work at work. They would do a random
