antiviral drugs and vaccines for those caught up in the pandemic. "We need to make sure the drugs and vaccine work in time to prevent disease," he said in a statement.. —To Severus Snape after he has restored James Potter's memories —To Harry during their discussion about the prophecy before returning to Hogwarts: Harry: "Why were we friends even after he started to fall apart? How much time do we have left to save him?" Severus Snape (faking panic): "You and I spent the first twenty minutes of our lives sharing a common enemy. Harry... there are always people close to us who always have the last laugh! You know we can't afford to ignore them! When we were together, we fought for what we believe in, and when we parted, we left each other stronger for it! You've learned to let out the inner scream of the true enemy, but it has become less frequent as time has gone on!" —Severus Snape and Harry regarding the prophecy[src].. Harry Potter and the Hogwarts Express Harry Potter and the Forbidden Journey In honor of the return of Harry Potter:.. When Harry Potter was eight, a prophecy foretold that he would be attacked by the Lord of the Black Death within twenty minutes. With that moment approaching, Snape took the opportunity to return to Hogwarts from the Ministry of Magic to inform Harry about this possibility, which pleased the boy enough to help get him into good habits of the wizarding world..
